Boxes of evidence found in the Philadelphia District Attorney's office in 2018 had been hidden since Mumia's 1982 trial: evidence of bribed witnesses, race-based jury tampering, and other injustices against Mumia.

The new evidence should free Mumia. HOWEVER on Oct 26, 2022 Judge Lucretia Clemons denied justice for Mumia and says she does not intend to allow the new evidence be heard!

**Come out Dec 16 to Demand:**  
**FREE MUMIA!**

**FRIDAY, DEC 16, 2022 COURT HEARING**

**Don't let Mumia die in prison. Keep the pressure on!**
